Serve it To-Go

- When it comes to packaging for to-go and delivery, think about both functionality and presentation.
- Select packaging that displays food well and keeps it secure in transit.
- Consider a modified menu for off-premise dining. Include only foods that travel well, like bowls, sandwiches, and salads.
- Many orders include multiple dishes. If you expect this, be sure to test stackability of your packaging.
- Think about adding family-style portions to your menu for added convenience and efficiency.
- Let us know how we can help!
