Checklist

- Use wrapped cutlery to protect utensils from contamination.
- Consider customer cutlery needs when determining which wrapped solution is right for you (e.g., full kit vs. individual utensils).
- The Cutlerease Cutlery Dispensing System delivers untouched forks, knives, or spoons to customers.
- Wrapped straws add another layer of protection in a dispenser or in a to-go bag.
- Let us know how we can help!

Cutlerease™

Countertop cutlery dispensing system for:

- Improved Hygiene
- Space Savings
- Efficient Dispensing
- Convenience
- Zero Waste Programs

Clean, Hygienic Cutlery

Everyone deserves to eat their food with clean cutlery. Cutlerease innovative design dispenses clean cutlery one piece at a time.

Tape tabs offer easy pick up and loading of cutlery into cartridge without having to touch any part of the cutlery.

Handle-first delivery ensures guests touch only the handle of the cutlery they are taking.

No trays or levers; helps prevent accumulation and transfer of germs.
